自分自身の性格を、どう思いますか? I'm a warm person who can look cold at times.

I love to talk but also love to listen. I'm always full of ideas but only make them real if it's realistic. I'm introvert acting/reacting as an extravert person. Love it when my girlfriend just shows that she loves me without using words at times but just through the way she responds to me. Glance in her eyes of just a hug... You know... Little things. I think a lot about every thing in life.

貴方にとって最も大切な事とは何ですか? Work: Creating a school which involves Japanese Martial Arts (should be the biggest thing in Europe); Personal life: Love, Affection.

Everyone needs somebody to love. I also need somebody to protect and care for.

今までに訪れた国 : Belgium, France, Germany and China. Of course I'm planning on going to Japan but need to be able to take all the time I want.

将来、貴方のパートナーとなる人に、交際が進展する前に、是非知っておいて貰いたい事がありますか? はい いいえ
I'm a bit picky on looks. I could say I'm not but I rather be honest about it. But besides looks I really want someone how connects with me. I'm a religious guy but I'm having a free mind about a lot of stuff. I don't mind you having some other religion but I want us to respect each other and be able to talk about our own religion. If you don't want children than I don't think we will match. For the rest. Just ask me and I will be glad to answer all your questions.

貴方の将来の希望や計画はどんなものですか? Finding someone special and creating my dream: International Martial Arts Boarding School (Japanese, Chinese and Korean Martial Arts)

貴方の将来のパートナーへのメッセージ。 I'm really a good guy with my heart on the right place. I'm not the riches men and don't really care that much for money. Just want to share my "average" life with someone I love.
