自分自身の性格を、どう思いますか? I am a pretty laid back person. I like when things are simple and don't cause fighting. I am a very passionate person about the people in my life and the things I do. Right now I am going to school so that is very important to me. I am an open book, so if there's anything you want to know, just ask.

貴方にとって最も大切な事とは何ですか? Family and friends are at the top of the list. I look forward to finding someone to start a life with and a family. I work hard so I can advance my career and provide for a family. I enjoy being able to help people where I can.

今までに訪れた国: Canada if that even counts. I love to travel and I have always wanted to go overseas. I plan to do some traveling hopefully when I finish school.

18歳以降、U.S.A.のどの州に住んだ事がありますか? Oregon

将来、貴方のパートナーとなる人に、交際が進展する前に、是非知っておいて貰いたい事がありますか? はい

いいえ — I suppose I can't really think of anything specific. I currently live with family, probably until I am finished school and move up in my chosen career. I am very focused on the future and look forward to meeting someone who has the same values. I am very respectful of others religion even if I do not see eye to eye about it. I am more than happy to help anyone improve or learn English. Like I said, I am an open book so if there is anything particular you would like to know please ask.

貴方の将来の希望や計画はどんなものですか? My hopes are to finish school and find someone special in my life. Since I do not have all the time right now it is hard to meet people but I am hopeful to find that special someone. Someone who will want to live a long and happy life together.

貴方の将来のパートナーへのメッセージ。 I do feel like I am putting myself out on a limb here, but I think it is worth the risk. I do want to take the time to get to know someone before jumping right in, but I am looking for someone I can have a future with. Those who get to know me learn that I am a good guy and mean well. I am an animal lover, I have two cats that I adopted. I would like to also get a dog in the future. It would be nice to have a husky grow up with our children.
