I would like to settle down one day and start a family but it would have to be with the right person. I am not happy to share a loveless relationship. I am happy to meet someone for a long term relationship or someone who wishes to be friends first with perhaps a view to develop a relationship after a while.

貴方の将来のパートナーへのメッセージ。 My future Spouse should be understanding, caring and possibly looking for a long term relationship and maybe to start a family. I am a very happy person with a very good sense of humor. I don't wish to be hurt.
