I was born in New York City and grew up in New York City and Los Angeles. I also went to college and worked in San Francisco.

貴方の将来の希望や計画はどんなものですか? I would like to have a beautiful family and make them happy that I am their husband and father. I would like to have a career in international relations. Currently, I am studying Japanese to better understand Japanese culture. After studying I would like to work and live in Japan.

貴方の将来のパートナーへのメッセージ。 Trust and communication is everything to me. Age is not so important to me so if you are 18-45 years old it is ok. I want to grow mentally and hopefully we can teach other and help each other grow. There are about 200 countries in the world and before I die I want to see at least half. Life is too short so let's travel the world together!
