I'm currently taking time out from work to focus on the more important things in life. I'm planning to travel including spending 2 months in Japan next year. I don't mind living in Ireland or Japan or any other country as long as we are happy together.

貴方の将来の希望や計画はどんなものですか? Go travelling, see as much of Japan as possible, hopefully with someone special to accompany me. Meet someone special and have a happy life together.
