一度結婚したことがあります。2008年3月3日に離婚しました。I have a demanding job, requiring quite a bit of travel, but I try to be home for most evenings and weekends. I am also quite active, and in much better shape than my physical age. I am very interested in finding a serious partner to spend the rest of my life with. My ideal future wife would be intelligent, kind, elegant, mature, serious, loyal, open-minded, articulate and comfortable to go mountain trekking as well as in wearing an evening gown to go to an evening concert or the opera.

貴方の将来の希望や計画はどんなものですか? There are so many places to visit, so many things to experience together, and so many discussions to have. Let's make a harmonious close soul-mate relationship.

貴方の将来のパートナーへのメッセージ。 Don't be shy, contact me. It may be the first step to a wonderful future.
