自分自身の性格を、どう思いますか? I can be dynamic and engaging, yet sometimes introspective. I work as a scientist, so perhaps fit this 'type' to a degree, but you'll also find a warm, creative, non-linear aspect to my personality also.

貴方にとって最も大切な事とは何ですか? Trying to maintain balance, happiness, and contentment, yet always curious, seeking, and striving. I hope to meet someone who shares this 'elan vital.'

今までに訪れた国: Many (イスラエル、フランスなど)

おいて貰いたい事がありますか?  はい  いいえ — Practically, I must

return to Vancouver due to my professional life (I will be working in Osaka for several months). I appreciate the difficulties this could create in getting to know someone in a short time, but that's the situation. In all likelihood, I will stay in Vancouver for the foreseeable future. I would add that Vancouver has a good-sized Japanese population with many shops, cultural events, etc.

貴方の将来の希望や計画はどんなものですか? Professionally, I have been successful, so hope to continue on this path. Personally, although the bachelor life has its advantages, I am ready for, and interested in a committed, fulfilling relationship.

貴方の将来のパートナーへのメッセージ。 I know humor is difficult to convey across cultures and electronically, but I'll try it. I have read the Japanese saying "A husband who is healthy and always absent is ideal." Hopefully you wouldn't see me this way ☺

Thank you for reading my profile, and good luck in your search.
