自分自身の性格を、どう思いますか? Flexible. Party girls probably won't like how reserved I can be, money focused women may not like that I seem aloof. Generally, I'm seen as infinitely patient, sincere, geeky, and somewhere between witty and quirky.

貴方にとって最も大切な事とは何ですか? To live a life where I can enjoy myself, help others, and inflict the smallest amount of damage on others as possible.

将来、貴方のパートナーとなる人に交際が進展する前には是非知っておいて貰いたい事がありますか?  はい  いいえ — I'm mixed: European-American mixed on one

side, Coptic-Egyptian on the other. I'm kind of a geek, but one with a purpose. I also don't think I'll ever be rich- my family is well to do and very supportive, but I care more about helping others.

貴方の将来の希望や計画はどんなものですか? To find a life partner. I can be flexible with my future job and location, but without someone important in my life, my successes don't mean a lot to me.

貴方の将来のパートナーへのメッセージ。 I've been in long term relationships before, and they always ended because the woman knew I was marriage material but weren't ready to "settle" for me. I don't want anyone to do that. I want to be loved for who I am, because that's the only way I can love other people myself.
