自分自身の性格を、どう思いますか? I am a straight forward man with a strong Family loyalty to the people I care about. I'm humble. I NEVER look down on someone who is homeless and mentally challenged. I'm always curious to find out who they are. Starting with their name. And I am not above treating that person to a meal.

貴方にとって最も大切な事とは何ですか? Continuing to understand who I am so I can meet the needs and wants of my wife. Being supportive to her will make her very happy.

I've lost much more weight since the photos. I am a smaller man now. I am of mixed ethnicity; Caucasian, Black & Mexican. I am a good hearted man with a lot of goals for us. I take care of my mother, a retired Nurse (70). I save my money for the future. I write poetry and short stories. Pls be patient with me.

貴方の将来の希望や計画はどんなものですか? I often dream of how my Japanese wife and I home will look when it's built, especially our large kitchen! I can't wait to taste your meals. I am very satisfied about how my business is going. I want to have a large home in the country. Snow covered mountains in the distance. Grow fresh vegetables in our garden etc.

貴方の将来のパートナーへのメッセージ。 Love & Pain are one in the same. One defines the other by the nature of its character. How we live the journey is more important that taking our last breath. So let the JOURNEY begin.
