I can be funny at times, but my humor is different. I firmly believe any woman I marry should do what she loves. I will never hold her back. I like smart women who take good care of themselves. I have slight temper, but that may be because I have had little to do with relationships over time as my job kept me busy. Finding a woman that can understand that may be difficult. I have faced adversity over the years professionally and physically and it has made me close my doors to many things.

貴方の将来の希望や計画はどんなものですか? I want to be happy, have an easy life. Having a family has challenges, but I think I'd be a good father. I had a good role model.

貴方の将来のパートナーへのメッセージ。 I am more than I seem. My potential is like what lies beyond the surface of a lake. The depths can be a challenge.
