自分自身の性格を、どう思いますか? I am very open minded, very persistent and smiling guy. Willing to step forward consistently with a partner.

貴方にとって最も大切な事とは何ですか? Balance in work & life. I kept working too much last years, and it is time to re-balance and if things go well, we may create a family.

今までに訪れた国: Australia, Thailand, Indonesia, India, China, USA, Turkey, South Africa and the most of European countries.

将来、貴方のパートナーとなる人に交際が進展する前に是非知っておいて貰いたい事がありますか? はい いいえ
— I find these very relevant to attraction: not only physical, but about ambition (not only professional) as well. Having a partner with University education and fluency in English would be ideal to know each other better

貴方の将来の希望や計画はどんなものですか? I am glad to be in Japan for some years, but I am sure that for a family other countries may be easier and life balance easier to manage as well.

貴方の将来のパートナーへのメッセージ。 Let's enjoy knowing each other and see the possibilities to match and share our lives if we find the right connection.
