自分自身の性格を、どう思いますか? I'm a friendly guy ideally looking for a laid-back woman who is interested in a long-term relationship. I respect and appreciate people that are different from me. My friends would describe me as fun to be with, and good-humored.

貴方にとって最も大切な事とは何ですか? To love and be loved, but this can only be achieved with respect, kindness and care.

今までに訪れた国: I haven't had much time to travel but I do like mini city breaks. I've visited Italy, performed at a jazz festival in Cork and really like weekends in London for comedy gigs and theatre.

将来貴方のパートナーとなる人に交際が進展する前に是非知っておいて貰いたい事がありますか? はい いいえ
I am naturally geeky - enjoying anime, gaming (playing or watching others play) but I am also very creative. I really enjoy playing the trumpet and I'm a member of local band which performs for all sorts of events such as weddings, charity concerts and military functions.

貴方の将来の希望や計画はどんなものですか? I want to find someone that wants to share a happy life together.

貴方の将来のパートナーへのメッセージ。 I am hoping to meet someone who satisfies the hopeless romantic in me, but I want to take time to get to know each other well before the taking a relationship to next level. It is important to know that we can be happy together!
