I live in Palm Beach Gardens, Florida. I have a career and I live on my own. I have no Japanese heritage and I have previously only dated American girls. I am strongly interested in Japanese history and culture. I have memorized Hiragana, and am practicing Katakana and have purchased some Kanji flashcards. I thought it might be good to try to find a Japanese girl to connect with.

貴方の将来の希望や計画はどんなものですか? I do hope to get married and start a family.

貴方の将来のパートナーへのメッセージ。 I am looking for a good woman who I can share my life with. I want to see her smile and create a relationship that enriches both of our lives.
