自分自身の性格を、どう思いますか? I am somewhat of an introvert, but there are times where I can be unpredictable or spontaneous! I am also a little shy, but that goes away the more comfortable I become around someone. I am a very kind, patient, and empathetic person, so I am notorious for crying during the sad parts of a movie.

将来、貴方のパートナーとなる人に交際が進展する前に是非知っておいて貰いたい事がありますか?  はい  いいえ — I want to find someone caring, loving, and kind. I am a sensitive and kind person myself, and so I would like to find someone who is the same.

Preferably, my future spouse would also enjoy nerdy things like anime or games, as they are both my passion and my career.

貴方の将来の希望や計画はどんなものですか? I want to fall in love and eventually start a family with that person.

貴方の将来のパートナーへのメッセージ。 I hope that we can meet soon. I know my future wife is waiting for me out there somewhere and I want to find her.
