I need to work for another 4 to 5 years to make sure my boys are through college and into a career as well as to save/invest a little more money. I have a lifetime retirement but like to add to it and invest. I also want to provide for my spouse so she is comfortable if something were to happen with me. I am very healthy and keep in physical condition with daily exercise.

貴方の将来の希望や計画はどんなものですか? Retire in 4 to 5 years from practice to a sunny, warm place near the ocean. (or possibly even Japan)

貴方の将来のパートナーへのメッセージ。 I am a sensual, physically close man who loves to buy flowers for women, who loves animals and kids, who loves learning about other cultures and art. I love Japanese culture and tradition (from afar).
