自分自身の性格を、どう思いますか? I like to be honest with people. I'm introverted but easy to get along with. I love to laugh, joke and have a good sense of humor. I believe I'm respectful, compassionate and empathetic towards other people, especially my family and close friends. I'm reliable and sincere.

貴方にとって最も大切な事とは何ですか? My family, my close friends, communication, honesty and showing respect to other people. Making time for both a relationship, as well as personal leisure. Having a life goal or passion and working towards it, while still remaining happy and minimizing stress.

今までに訪れた国: Japan, USA.

将来、貴方のパートナーとなる人に交際が進展する前に是非知っておいて貰いたい事がありますか? はい いいえ — I have my own home in Canada, and the means

to allow myself to study and self-invest. I lost a very close family member in 2020, so my remaining family mainly consists of my Mom and I. She's an amazing person. :)

貴方の将来の希望や計画はどんなものですか? I'd like to continue studying at university and complete it. I spent one year living in Japan and I really loved the country, so I can easily live in Japan or Canada with my wife in the future. I am sincerely looking to find a happy marriage, and create a warm, positive, supportive life together!

貴方の将来のパートナーへのメッセージ。 If we start talking and really get along well, I would be very excited to meet you and your family in person. I want to experience your interests and hobbies, support each other at our best and worst, and build a genuine relationship based on mutual trust, communication, love and respect!
