自分自身の性格を、どう思いますか? I'm an honest, kind, confident, humorous, reliable, conservative Christian man, retired Army Military Police Captain looking for a conservative woman. I live on a secluded forested mountain lake (383 sq. km) in pristine, natural beauty. I designed and built my dream retirement home here, so I won't relocate, and my wife must live here with me. I roast my own coffee, dry age beef, love to cook and I'm a Certified Master BBQ judge. You must be willing to video chat and make time for a relationship.

貴方にとって最も大切な事とは何ですか? Most important is a kind, intelligent, compassionate, caring adventurous woman who loves to travel, explore new places and learn new things. She must also believe in God.

将来、貴方のパートナーとなる人に交際が進展する前に是非知っておいて貰いたい事がありますか? ☒ はい ☐ いいえ — Communication and making time for a relationship are very important, including frequent calls and video chats. That means prioritizing a relationship as highly as I do. I'm looking for a wife not a pen pal and I'm very serious about it. So, after getting to know each other calling and video chatting, I think we should meet. I'm in very good shape and look 15 years younger, as you can see.

貴方の将来の希望や計画はどんなものですか? To have a loving wife for the rest of my life.
貴方の将来のパートナーへのメッセージ。 I'm waiting to make you happier than you ever dreamed possible!
